“Receiving program assistance enabled me to attend job fairs and interviews and accept a job offer. I am very thankful.”

“The heavens opened for me when I began receiving assistance. Not only did the program provide a safe place for my children to receive care, I was able to increase my work hours and take some classes for the future.”

“Receiving assistance enabled us to work more hours and start to rebuild our lives again. We are so happy that our children are in a good environment while we work. Every day, we are a little closer to our goal of moving to our own place soon.”
