

Child Care Resource and Referral (CCR&R)

In partnership with both local Early Learning Coalitions of Orange and Osceola Counties, the CCR&R program provides **free** resource and referral services to all families seeking information on quality early care and education programs.

We have a dedicated, certified team of Specialists available to help and guide you in your search at every step of the way.

There are **no fees or costs** associated with CCR&R services, in fact, all parents can access our services as many times as needed.

Referral contacts for cost of current care have risen **108%** in the past 4 years
