

November 12, 2018

Dear Provider,

Thank you for submitting your school readiness (SR) enrollment update form. This information will be used to more accurately estimate your October reimbursement. We did note a number of child terminations from the information submitted.

If you believe you owe significant school readiness funds back to the Coalition as a result of the estimated amounts paid to you for your July through September reimbursements, please contact Cheryl Arndt at 407-532-4172. Cheryl will help you determine SR amounts you may owe back to the Coalition. Our goal is to ensure that you do not have a substantial amount owed back to the ELC. Cheryl is working on your PFP reimbursement today; please DO NOT contact her until Tuesday, November 13th or thereafter.

According to OEL, it appears that the SR reimbursement process will not be available until January. As always, we appreciate your patience and understanding.

Sincerely,

A handwritten signature in blue ink that reads "Charles Rogers".

Charles A. Rogers

Chief Executive Officer
