IT'S THAT TIME OF YEAR!

It's time for child care providers to update their information in Florida's new

Early Learning Provider Portal.

Approximately **212,000** families were served by Florida's 30 early learning coalitions' CCR&R services in 2017-2018.

When providers participate in the annual provider update, Florida CCR&Rs are able to

- Inform communities about child care and the cost of care.
- Offer customized child care listings based on the needs of families.
- Provide a **FREE** marketing tool for **ALL** legally operating child care providers in Florida.

The information collected on child care businesses assists Florida with state and federal reporting and statewide child care analysis.

To complete your **2019-2020 Provider Update** and be included in child care listings to families:

1. Log on to your provider portal account.
2. Choose year 2019-2020 on the top right had side.
3. Click each tab and review the information. Make any necessary updates, making sure all fees, private pay rates and schedules are accurate.
4. Submit your profile for coalition review.
