

Important COVID-19 Update

- Harvest Time International's Community Hope Centers in Sanford and Port Orange are open regular hours (see below).
- We take the health of our clients and staff very seriously and follow the CDC hygiene guidelines.
- The membership fee to join or rejoin the Community Hope Center program will be waived as long as the COVID-19 virus requires people to self-quarantine/isolate and/or practice social distancing.
- Everyone who struggles to make ends meet will qualify.
- Please share this information with other friends and family who could use help during this trying time.
- We appreciate food and financial donations to help people in emergency situations.
- Harvest Time Int'l also still accepts volunteers to be able to continue to help.
- We are hiring! We are looking for sorters/stockers/cashier, drug test and background check will be required, please visit client services for applications.

Sanford only: Every Thursday from 8am to 9am will be reserved for vulnerable shoppers, including senior citizens, pregnant women or those with compromised immune systems (effective 3/26/2020).
