

## INFANT FORMULA SHORTAGES

We understand the nationwide infant formula shortage is affecting many of you and the families you serve.

Creditable infant formulas for the CCFP include major brands such as Similac and Enfamil, but also store brands such as Parent's Choice (Wal-Mart), Member's Mark (Sam's), CVS Health, and Well Beginnings (Walgreens).

As there is a continuing formula shortage, you may need to order formula online (but not from other countries) or consider switching brands/stores to purchase from.

\*As long as the formula meets the criteria on our [formula fact sheet](#) and does not appear on the [FDA Exempt List](#), then it can be served as part of a reimbursable meal.\*

Please see below for a list of popular store formulas that are creditable on the CCFP. This is not an all-inclusive list, but we hope it will be helpful:

Wal-Mart, Parent's Choice and Sam's Member's Mark	Aldi's, Little Journey	Target, Up and Up	BJ's Wholesale, Wellsley	Costco, Kirkland
Gentle, Infant Formula Milk-Based Powder with Iron	Infant, Infant Formula Milk-Based Powder with Iron	Premium, Infant Formula with Iron, Milk-Based Powder	Infant, Infant Formula Milk-Based Powder with Iron	ProCare, Infant Formula Milk-Based Powder with Iron

Tender, Infant Formula Milk-Based Powder with Iron	Soy, Infant Formula with Iron Soy-Based Powder			
Sensitivity, Infant Formula Milk-Based Powder with Iron				
Organic, Infant Formula Milk-Based Powder with Iron				
Soy, Infant Formula Soy-Based Powder with Iron				

## IMPORTANT REMINDERS

- **Do not feed a baby cow's milk** or other non-dairy milks until 1 year old unless your pediatrician approves.
- **Do not make homemade infant formula or water down formula;** there are serious health and safety concerns by doing this.
- **Do not buy formula online that comes from outside the U.S.,** which could be counterfeit, have a fake label or a wrong use-by date.
- **Prepare and store infant formula according to the manufacturer's instructions;** do not water down formula.
- Properly clean, sanitize and store infant feeding items.

Please share with parents that the WIC centers listed below have formula. Parents do not need to be receiving WIC to get formula from these sites at this time. Encourage them to call in advance of going there to be sure they have what the parent is looking for.
