How can I set the Learning Genie parent app to my preferred language?

On the Learning Genie parent app, we provide 100+ languages to choose from. Teachers' posts will automatically be translated to your preferred language! Here is how you can set your app to your preferred language:

1. On the parent app, click the "A" at the top

=(Co Lear	ning Genie	Q

Nap	1:35 PM – 2:35 PM, Sophia was restless. 2 days ago			
Beminder	 Mar 17 08:00 AM ~ Mar 18 08:00 AM Please bring back the health form. 3 days ago 			
Event	Zoom class	 O3/16/2021 2:20 At home Ill Click to response 	•	

2. Click on the language. If they are in "Spanish/Espanol" it will indicate in this section and no further action needs to be taken.

3. Select their preferred language (i.e Espanol/Spanish)

4. When language is selected, your page will automatically translate.
